

The SCEJ Award for Outstanding Asian Researcher and Engineer

Introduction

The Outstanding Asian Researcher and Engineer Award recognizes Asian nationals based outside of Japan who possesses the exceptional vision, achievement and knowledge to inspire others to succeed and to contribute to significant chemical engineering research and technological developments in the field of chemical engineering. The Society of Chemical Engineers, Japan (SCEJ) Awards Committee is actively soliciting nominations from all SCEJ members and Chemical Engineering related organizations and societies in Asian countries. Please email the SCEJ Awards Committee for further information.

E-mail: asianawards@scej.org.

Eligibility Criteria*

As of 15th February 2023, candidates must:

- Be age 45 years or younger;
- Have their activities based in Asian countries;
- Have made a substantial contribution to research and technological developments in chemical engineering; and
- Be nominated either by a member of SCEJ, or the president/ a representative of a chemical engineering related academic society in an Asian country.**
- Will be required to present award lectures at the International Chemical Engineering Symposia (IChES2024)/ the 89th Annual Meeting of SCEJ to be held in Tokyo, Japan, in the middle of March, 2023.

* Board members of the SCEJ and members of the Awards Committee are not allowed to nominate any candidates.

** Both a regular member of the SCEJ and an academic society can nominate one candidate.

Submission Procedures

The nomination period for the Award opens in early January of 2023 and closes on 15th February, 2023. Please use the following procedures:

1. Nomination and CV forms are available on the following SCEJ website:
<https://www.scej.org/en/awards/scej-award-for-oare.html>
2. Nominators are asked to complete Annex 1 and to submit it to the SCEJ. Annex 1 must be received by 15th February **2023**. In case of electronic file, pdf sheet with signature and word sheet will be desirable.

Annex 1 includes:

- a. Nomination Form and
 - b. The recommendation letter of either a regular member of SCEJ (including international regular member), the president of the society of chemical engineering in other Asian countries or the representative of Chemical Engineering related society.
3. Nominees are asked to complete Annex 2 and to submit it to the SCEJ. Annex 2 materials must be received by **31st March, 2023**. In case of electronic file, PDF sheet and word sheet are desirable.

Annex 2 includes:

- a. Nominee Curriculum Vitae and
 - b. The nominee's five most significant articles, including scientific papers or patent applications in the field of chemical engineering.
4. Please send all nomination materials by either registered mail or e-mail to:
- Masahiko Matsukata, 2022 President
The Society of Chemical Engineers, Japan
4619, Kohinata, Bunkyo-ku, Tokyo 112-0006, Japan
E-mail: asianawards@scej.org

Selection Schedule and Award Lecture

1. Nominations will be thoroughly reviewed by the SCEJ Awards Committee for eight months from March to October 2023.
2. Award recipients will be notified no later than the end of November, 2023.
3. This year's Award winners are required to present award lectures at the International Chemical Engineering Symposia (IChES2024) / the 89th Annual Meeting of SCEJ to be held in Japan, in the middle of March, 2024. Your accommodation expenses and registration fees will be paid by the SCEJ.
